Financial Policy of Eagle River Smiles

We are committed to providing you with the best possible care. As a professional courtesy, if you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance, and your understanding of our payment policies.

______ Initials – **Payment is due at the time of service, including any deductibles or co-payments**. We accept the following forms of payment:

1. **Cash**
2. **Credit Card- Master Card/ Visa/American Express/ Discover**
3. **Care Credit**- offers a separate line of credit to cover your entire family's health care needs. (Please ask the office staff for more information)

______ Initials – **Accounts with a balance over 60 days** will be turned over to Cornerstone Collection Agency. We have a payment plan option through Care Credit if you wish to make use of this. Once an account has been referred for collection, the doctor-patient relationship is considered terminated. Your records will be referred to a dentist of your choice.

______ Initials – **Insurance Billing**

You are expected to alert us in full disclosure of all of your dental insurance plans. We will contact your insurance company for you to inquire about your eligibility and benefits, therefore, we will need all of your insurance information at your initial visit. We will work to the best of our ability to accommodate your needs and provide you with the options allowed by your insurance, will inform you of the co-pay, and any other costs that are associated with your appointment before we begin your treatment; with the following stipulations:

- **You are expected to pay in full your co-pay upfront. We will calculate your total for you and present you with cost breakdowns. You will be made aware of any additional payment required for treatment beforehand.**
- **Ultimately the balance of your account is your responsibility. While we will do our best to obtain accurate information regarding your eligibility and benefits, in rare cases the insurance companies will not always provide us with the most up to date information resulting in inaccuracies. In this scenario we will require you to pay the remaining balance. Your insurance policy is strictly between you and your insurance company, we are not privy to it. We do offer Care Credit as a payment plan option; please feel free to ask any of our staff how to apply.**
- **We will allow a 60 day period in which you can pay the remaining balance after we have informed you that it is due. If you do not pay in the allotted time your account will be considered overdue.**

By signing my name below, I certify that I have read the above information. Any questions concerning these policies have been discussed. My signature also certifies my understanding of and agreement with the above policies. I understand I am responsible for all charges not paid by insurance.

Adult Medicaid Only (over 21 years):

You have a total of **$1150** in dental benefits to use toward dental work each Medicaid fiscal year (July 1st – June 30th). Although we check the amount you have available for use, it is your responsibility to disclose any other dental visits you have had during the last year so that we can more accurately calculate how much money you have left.

In the event that you do not disclose any dental visits within the last fiscal year and the Medicaid office gives us an inaccurate amount that you have available to use, you are responsible for any difference in cost for services received. Please help us serve you better by letting us know your dental history.

I have read and agree to the terms above. I will disclose to Eagle River Smiles any recent dental visits or appointments made at other dental offices (within the last year) so that they can ensure I do not have to make any additional payments.
